Children's & Teacher's Day Celebrations

Pranams to all,

It gives me great joy to share with you the details of one of our important alumni celebrations Children's and Teachers' Day, which was celebrated on November 19th, 2025 at 12 noon in our school auditorium.

Most of our alumni committee members were present for the occasion, and we were also happy to welcome a few of our old students who graced the event. Together with the primary and secondary school children and teachers, we celebrated the true spirit of Children's Day with great enthusiasm and happiness.

As part of the celebration, the alumni organised lunch for all students, teachers, teaching and non-teaching staff, guests, and alumni members present at the venue. Sharing a meal together amidst students and teachers was a truly heartwarming experience. After lunch, we gathered in the school auditorium for the Children's Day programme, which brought back many fond memories of our own school days.

As in previous years, various competitions were conducted for the students. The winners showcased their talents before the alumni, and their spirited performances were warmly applauded. To ensure wider participation, students were divided into three categories Juniors, Seniors, and Super Seniors. All winners received prizes from the committee members present, and goodies were distributed to all students.

Special games were also conducted for teachers, and they participated with great zeal and enjoyment. As a token of appreciation, gifts were presented to all teachers and non-teaching staff by the alumni.

Every year, our alumni extend support to the school by sponsoring after-school snacks for public examination students who stay back late for coaching classes. This small gesture helps energise them, improves their focus, and supports them in achieving their academic goals. This year, with the generous support of NGCE Charities, the alumni sponsored an amount of ₹10,000 for this purpose.

The programme concluded with a few cultural performances by the children, followed by the National Anthem.

Kudos to all our alumni committee members who extended their wholehearted support, both in cash and kind, and made this event truly memorable.

Thank you one and all.

Regards,

C Latha Balaji
