Digital Wisdom vs. Life Experience: A Bridge Between Generations

In today's fast-paced world, two kinds of wisdom often stand out: the quick, ever-evolving "digital wisdom" and the deep, time-tested "life experience." At first glance, they might seem like opposites, but they're actually powerful partners, especially for women of all ages.

Think about "digital wisdom." This is the younger generation's superpower. They understand the latest apps, social media trends, and online shortcuts. They can find information in seconds, connect globally with a click, and often

see new possibilities in technology that others miss. This isn't just about using a phone; it's about navigating the digital world with natural ease and understanding its impact.

Then there's "life experience." This is the treasure held by older generations. It's built from years of facing challenges, celebrating successes, raising families, and building careers. It's the wisdom of understanding people, knowing how to bounce back from setbacks, and seeing the bigger picture. It's about patience, resilience, and the deep knowledge that some lessons can only be learned through living.

When these two meet, magic happens. A younger woman might teach her grandmother how to video call a distant relative, instantly closing miles with digital magic. In return, her grandmother might share insights on handling a difficult work situation, drawing from years of navigating office politics or personal struggles.

This exchange isn't a one-way street. Younger women gain invaluable perspective, learning from the rich tapestry of experiences that came before them. Older women find new ways to connect, stay informed, and enjoy the modern world, often feeling more empowered and less isolated.

Imagine a "mentorship swap" where a Gen Z woman helps a Baby Boomer start an online craft business, while the elder woman shares timeless advice on customer service and perseverance. This isn't about one being better than the other; it's about both recognizing the unique value each brings. By combining digital know-how with lived wisdom, women can build stronger connections, solve problems more creatively, and create a richer, more understanding world for everyone.

“Sometimes the value of a moment is not realised until it becomes a memory”. The value of such memories at our school life should be weighed in Gold as their importance and influence have deeper impacts in ourselves and will set the tone for the rest of our lives. Therefore, I am forever grateful to our KTCT School for playing a big hand in shaping my Life.

As you grow older, you will discover that you have two hands, one for yourself, the other is for helping others because at the end of the day, you will realise that it is not about what we have or what we have accomplished. But, it is all about whom we have lifted up, whose lives we have made better and most importantly, what we have given back. This has been the mantra at our KTCT Alumni Association as we have always wanted to give back more to the school where we started our lives and have strived to be the bridge for our School and the current students in uplifting their lives.

“Nobody can go back to the start and make a new beginning but we all can start now and can make a new ending”. Therefore, we at KTCT Alumni Association assure the current students of our KTCT School that this Alumni Association will stand as a Guiding Light in the vast dark forest of uncertainties in Life and help you with the various programs and assistance that we have planned in this year for your growth and success.

Gratitude, Growth, and Giving Back

My alma mater continues to be the foundation of my values, confidence, and commitment to service. The lessons learned within these walls went far beyond textbooks—they shaped my character, nurtured discipline, and inspired a lifelong love for learning.

I remain deeply grateful to my teachers and mentors whose guidance continues to illuminate my path. Their dedication reminds us that education is not merely about success, but about shaping responsible and compassionate individuals.

Through the Alumni Association, I find immense joy in reconnecting with my roots and contributing meaningfully to the institution that gave me so much. Alumni are the living legacy of any school, and when we unite, we become a powerful force for progress.

A New Initiative for the Coming Year

This year, I propose the launch of an “Alumni Mentorship & Skill Sharing Programme”, where alumni can interact with students through:

- Career guidance sessions
- Life-skill and value-based talks
- Exposure to emerging fields and opportunities

This initiative aims to bridge generations, inspire young minds, and help students dream with clarity and confidence.

As we move forward, let us continue to strengthen our bond, uphold our traditions, and work together to create opportunities that empower future generations.

With gratitude and optimism, I congratulate the Alumni Association for its sustained efforts and wish it continued success in the years ahead.

Dear KTCT ALUMNI and Friends

Greetings and welcome to the KTCT Girls Alumni Association. I am glad to reach out to you all through our very own 'NOSTALGIA' 2026 - the alumni magazine. I do hope that you will continue to stay with us to build a bond forever.

In our school days, we often claim to be wonderful students of our own institution and respect our principal and Teachers. The alumni of KTCT have not only endeavored to be the best in the world but proved many times as the

best in the world.

As our alumni are spread out across the Society we have taken all efforts to join hands together through this MAGAZINE in order to enhance the relationship among us, also bridge the institution with the former students. I would be happy if you all could be part of this initiative as well as pass the word around to your friends, batch mates, juniors & seniors and enjoy the connect of being in touch with one another.

We are also looking forward to an active participation from the alumni in all the events of this ASSOCIATION and to know your feedback & suggestions for the betterment of this initiative. Also, I would encourage and welcome your visit to our School along with your family to cherish and share the nostalgic moments of your student life.

Finally, I have one last message that as alumni it is not only our responsibility, but our duty to give back to our Alma Mater and hope that you will continue to walk the journey with KTCT for more generations to come.

Dear Beloved Alumni Members,

Warm greetings from KTCT Girls Higher Secondary School.

It is with immense pride and heartfelt gratitude that I pen this message to acknowledge your continuous support and unwavering bond with your alma mater. Though years may have passed since you walked through these corridors as students, your connection with the school remains strong, meaningful, and inspiring.

Your thoughtful gesture of giving back to the school reflects not only gratitude but also a deep sense of responsibility and affection towards the institution that shaped you. By staying in touch, you have strengthened the bridge between the past and the present, encouraging a beautiful spirit of friendship, unity, and belonging among generations of KTCT students.

We deeply appreciate your enthusiastic involvement in conducting competitions every year on Children's Day and in personally giving away prizes to our students. These moments create joy, motivation, and lasting memories, while instilling confidence and healthy competition among young minds.

Your generous donations towards evening snacks for the students have been a great support, especially for children who benefit both nutritionally and emotionally from your kindness. Such acts of compassion speak volumes about your concern for student welfare and holistic development.

On behalf of the Management, Staff, and Students of KTCT Girls HSS, I extend my sincere thanks to each one of you. Your continued encouragement, contributions, and commitment inspire us to strive harder in nurturing responsible, confident, and value-based citizens.

Brief History of School

The Maharaja of Vizianagaram, His Highness Sri Ananda Gajapathi Raju took the initiative and founded the school in 1890 and maintained the School in George Town locality. After a brief period, it was transferred to the care of the National Indian Association.

Messrs. Thiruvengadathan Chetty, Rao Bahadur Calavala Cunnan Chetty and Dewan Bahadur Calavala Ramanujam Chetty, the generous hearted businessmen made contributions for the maintenance of the school. But the actual Management of the school was under the control of the National Indian Association.

In the year 1924, the President of National Indian Association, Sir Charles Todhunter, K.C S I., I.C. S. requested the Sri Kanyaka Parameswari Devasthanam and Charities to take up the Management of the School and to receive the contributions from the estate of the Calavala Brothers. As it was maintained by the Calavala brothers, the school was named Kalavala Thiruvengadathan Chetty.

Under the Management of S.K.P.D. and Charities, the school made a rapid progress. The School was functioning as Higher Elementary School till 1938. The Management was very keen to cater to the needs of the Telugu population of the locality. In 1943, the school was converted into a Telugu Girls School. By 1944, they made all necessary arrangements to repair and remodel the building at No.58, Narayana Mudali Street, Madras-1, which was once purchased by the Calavala Brothers for running the school and got permission from the Government to convert the school into a Middle School.

In the year 1945-1946, Higher Grade Elementary School was converted into the New Middle school which was named as the K.T.C. Telugu Girls' Middle School. It was popularly known as Bommavaalla school as the students received a Wooden Doll as a gift or prize.

The Elementary School Section was inspected by the Sub-Assistant Inspectress, Mrs. G. Conron. She has recorded her appreciation on the improvement of the school. In 1945, Her Excellency Lady Hope paid a visit to our school. She was welcomed by the Management. She greatly appreciated the progress of the school.

The School was upgraded as High School with Form IV in 1947, Form V in 1948 and Form VI in 1949.

In the whole of Madras city, this was the only Girls' High School where Telugu is the Medium of instruction. This school was undoubtedly a great boon to the Andhra population of the locality.

The Motto of the school is "Speak the Truth, Do the Right".

Childrens Day Celebration 2025

Pranams to all,

It gives me great joy to share with you the details of one of our important alumni celebrations Children's and Teachers' Day, which was celebrated on November 19th, 2025 at 12 noon in our school auditorium.

Most of our alumni committee members were present for the occasion, and we were also happy to welcome a few of our old students who graced the event. Together with the primary and secondary school children and teachers, we celebrated the true spirit of Children's Day with great enthusiasm and happiness.

As part of the celebration, the alumni organised lunch for all students, teachers, teaching and non-teaching staff, guests, and alumni members present at the venue. Sharing a meal together amidst students and teachers was a truly heartwarming experience. After lunch, we gathered in the school auditorium for the Children's Day programme, which brought back many fond memories of our own school days.

As in previous years, various competitions were conducted for the students. The winners showcased their talents before the alumni, and their spirited performances were warmly applauded. To ensure wider participation, students were divided into three categories Juniors, Seniors, and Super Seniors. All winners received prizes from the committee members present, and goodies were distributed to all students.

Special games were also conducted for teachers, and they participated with great zeal and enjoyment. As a token of appreciation, gifts were presented to all teachers and non-teaching staff by

Together We Can

the alumni.

Every year, our alumni extend support to the school by sponsoring after-school snacks for public examination students who stay back late for coaching classes. This small gesture helps energise them, improves their focus, and supports them in achieving their academic goals. This year, with the generous support of NGCE Charities, the alumni sponsored an amount of ₹10,000 for this purpose.

The programme concluded with a few cultural performances by the children, followed by the National Anthem.

Kudos to all our alumni committee members who extended their wholehearted support, both in cash and kind, and made this event truly memorable.

Thank you one and all.

With regards,
Latha Balaji

PRATHIBHA 2025

Pranams all,

It brings us immense joy to share that this year's **"Prathibha" our Alumni Anniversary Celebrations** took place on 8th February 2025 at the **SKP Convention Centre**, from 10 AM to 3 PM. The day began with heartfelt prayers at the SKP Temple, where our Committee and esteemed guests joined together in devotion to Goddess Vasavamba, seeking blessings for the occasion ahead.

The event formally opened with a warm welcome from the President. We were honoured to have with us our **Chief Guest, Ln. Ramesh Babu**, Past District Governor of Lions Clubs International (Dist. 324 A6), a respected chartered accountant, financier, and a committed member of the Free Masons. His presence added great value to our event.

We were privileged to welcome our **Guest of Honour, Vn. C. M. Rajesh**, District Governor of Vasavi Clubs International (Dist. V502A), and Managing Partner of a reputed silver business. Both guests delivered insightful and motivating speeches that truly touched the hearts of the gathering.

One of the highlights of the day was the **launch of our e-Nostalgia**, a special digital souvenir capturing the journey and activities of the alumni, updates on members, and acknowledgements of our beloved sponsors.

As part of our tradition, we proudly honoured individuals for their dedication and excellence:

Vanitha Kishoram Awards: Mrs. Sarala Balaji (IPP), Dr. O. Padmalatha, and Mrs. Venkata Bhagyalakshmi

Best Teachers Awards: Mrs. Eragarla Sunitha and Mrs. P. Ponnuthai Menslin

Retired Teachers Awards: Mrs. A. Estheramma and Mrs. P. Satyavathamma

Septuagenarian Awards: Mrs. Leelavati and Mrs. Peruri Mallika

Student Toppers Awards: S. Amulya (12th), Bandari Navya (10th), and B. Chandralekha (10th)

Additionally, all subject toppers from 10th and 12th were awarded silver medals and goodies to appreciate their hard work. We also surprised the crowd with lucky draw prizes given to three participants, picked by our guests themselves.

After the formal meeting concluded with a heartfelt vote of thanks, the celebration carried on with vibrant competitions and cultural performances. Each event was received with great enthusiasm:

On-stage events: Traditional Dance, Fashion Show

Off-stage events: Pencil Sketching, Healthy Drinks Preparation

Winners were presented with thoughtful prizes, and participants received coupons to redeem items of their choice from the stalls. The event was interspersed with fun-filled mini games as fillers that kept the excitement alive. As always, Tambola, everyone's favourite, was a grand hit with ten winners walking away with prizes.

We continued our tradition of encouraging women entrepreneurs, who set up stalls to showcase their products and skills turning the space into a lively, inspiring bazaar of talent and creativity.

Our sincere gratitude goes out to all our sponsors who extended their generous support to make this event possible. We are deeply thankful and look forward to your continued encouragement in the future. The day concluded on a proud and patriotic note with the National Anthem, wrapping up a celebration that left everyone smiling, nostalgic, and more connected than ever.

SNEHAM 2025

Every year, the alumni come together to celebrate friendship through their signature get-together, “**Sneham**,” an informal reunion that is held at different locations with a unique concept each time. Continuing this warm tradition, the **KTCT Girls Alumni Association** organized their Friendship Day celebration, **Sneham 2025**, at **Aerohub, Meenambakkam**, on **23rd August 2025**, followed by the Annual General Body Meeting.

This year’s Sneham had a special theme “**Metro Transit to the Airport.**” In line with the concept, friends gathered at **Mannady Metro Station** and began their journey together by metro train towards Meenambakkam Airport to reach the venue at Aerohub. The metro ride itself became a joyful part of the celebration, filled with laughter, conversations, selfies, and nostalgic moments. Alumni traveling from different parts of the city also joined the metro en route and reached the venue, making the journey feel like a moving reunion.

Everyone enthusiastically shared their metro travel photos, and our social media expert and Secretary, **Mrs. Malathi Santosh**, compiled them along with the fun and lively moments from the entire event. She created a beautiful video presentation capturing the essence of Sneham, which was later shared across all social media platforms, allowing even those who couldn’t attend to relive the celebration.

The formal part of the event began with a warm welcome address by the Chairperson, **Mrs. E. Sharmila Kishore**, whose heartfelt words set a cheerful and friendly tone for the gathering. Soon after, the atmosphere turned lively with a series of engaging games conducted by **Mrs. Malathi**. The alumni participated wholeheartedly, cheering each other on and enjoying every moment.

The excitement continued with a **Tambola** session conducted by **Mrs. Latha Balaji**, which brought out even more laughter and friendly competition. Winners of all the games were presented with prizes, and as a token of appreciation, every member who attended received a special gift from the alumni association. The expenses for the prizes and gifts were generously sponsored by **Mrs. Sharmila Kishore**, the Project Chairperson for Sneham celebrations.

Adding a heartfelt touch to the event, the alumni also organized a small cake-cutting ceremony to celebrate the birthday of their senior advisory member. This gesture was a mark of gratitude and respect for her dedicated service and contributions to the association. The moment was filled with warmth, smiles, and heartfelt wishes from everyone present.

The gathering concluded with the **vote of thanks** delivered by **Mrs. Mallika Prakash**, the First Vice President, who expressed gratitude to the organizers, participants, and sponsors for making the event a grand success.

After the formalities, the friends explored the vibrant food court at Aerohub, sampling a variety of dishes and sharing a delicious lunch together. The celebration continued as they strolled through the shops in the mall, chatting, laughing, and creating more memories.

Finally, the alumni returned home by metro, carrying with them not just souvenirs and photos, but also the joy, warmth, and cherished memories of another wonderful **Sneham celebration**. The event once again strengthened bonds, rekindled friendships, and reminded everyone of the timeless connection they share as members of the KTCT Girls Alumni family.

Regards

Latha Balaji

The Charities were established in July 1912 and is named after the founder, Sri Pappichetty Ragaviah Chetty. Sri Ragaviah Chetty was born in Chennai in 1850 and was a successful business man of his times. As was, and is, wont of Arya Vysyas, he decided to share his wealth with his less endowed brethren and also make provision for the worship of his favourite deities in various places in Aryavarta, from Ayodhya in the north to Srivilliputtur in the south. This empathy of his led him to set up a trust to take care of his wishes, and towards this end he endowed most of his wealth to the trust. The Board of Trustees at the time consisted, as is now, nine trustees including himself as President. Sri Ragaviah Chetty passed away in 1914.

The Charities having Ramanuja Kootam in Srivilliputtur, Sriperumbudur, Kondapalayam and PRC Centenary Hall, Chennai

The activities of the Charities at present consist of awarding old-age pensions to indigent and elderly persons, providing scholarships for studies, monetary help to perform marriages and pilgrimages, assistance towards cremation expenses, monetary assistance in getting medical aid and purchase of medicines, etc.

Sri Ragaviah Chetty did not limit his benevolence to humans alone; the Charities provide assistance every year to the Society for the Prevention of Cruelty to Animals (SPCA) in Chennai.

In addition, the Charities manage five other charitable institutions with similar objectives.

The Board of Trustees consisting of Sri V. Sudhakar, Sri Y.V. Harikrishna, Sri A.S. Hariprasad, Sri K. Sudhakar, Sri M. Krishna Kishore, Sri K.K. Balu, Sri G.V. Balaji & Sri P. Sathyanarayana is successfully carrying on the activities of the Charities as per the mandate of the Testator.
