Pranams,

Hearty greetings to one and all!

With the blessings of the Almighty, the guidance of our elders and the unwavering support and generous contributions of our members and well-wishers, we are delighted to bring you another edition of our alumni newsletter.

As we step into the 15th year of our KTCT Girls Alumni Association, we look back with immense pride and gratitude on a beautiful journey filled with friendship, cherished memories, meaningful initiatives and a deep-rooted commitment to our beloved alma mater. What began as a bond between former students has blossomed into a wonderful family, united by love, affection and togetherness.

The past months have been filled with vibrant celebrations and memorable occasions. From Navaratri and Children's Day to our grand Prathiba anniversary celebrations, the release of e-Nostalgia and three issues of e-Mythri, every event has added a special chapter to our journey. Our participation in the KTCT School Annual Day and the Annual General Body Meeting of our alumni association further strengthened our bond with our alma mater.

Madras Day on August 22 gave us an opportunity to celebrate our pride in being Madarasis, while Teachers' Day on September 5 reminded us to express our heartfelt gratitude to our beloved teachers, whose guidance and blessings continue to shape our lives.

While we celebrate our joys and togetherness, recent events around the world remind us of the value of courage, humanity and compassion. The extraordinary bravery of Indian pilot Captain Smit Machchhar, who risked his own life to save passengers during a mid-air emergency, is truly inspiring.

At the same time, the devastating floods and landslides in Nepal have left us deeply saddened. The tragic loss of lives and the suffering of countless families remind us of how precious life is and how important it is to stand together in times of adversity. The courage of rescuers and the spirit of humanity offer hope even in the darkest moments. Let us keep the affected families in our thoughts and prayers and cherish the values of kindness, unity and selfless service.

Now coming into alumni activities :-

A special mention goes to our "Sneham - Viharam "at Yelagiri Hills, which was a grand success. The laughter, camaraderie and beautiful moments shared made it an unforgettable celebration of friendship. My sincere thanks to all our members and friends who made it so colourful with their enthusiastic participation.

As we look forward to our Children's Day celebration at our beloved school on November 18, 2026, I warmly invite you all to join us and relive the joy of our school days with our juniors. Let us come together, create beautiful memories and make this occasion a grand success.

Our association is not just about reunions and celebrations; it is also about giving back to the institution that shaped us and supporting our school and its students. I sincerely appeal to all our members and well-wishers to continue their generous contributions and wholehearted support for our future initiatives.

My heartfelt thanks to each and every one of you for being an integral part of this wonderful journey. Your friendship is our strength, your support is our inspiration, and your togetherness is what keeps our association vibrant.

Let us continue to cherish our bonds, celebrate our friendship and create many more meaningful memories together.

Wishing you and your families a very happy, healthy and prosperous Deepavali! May the festival of lights bring happiness, peace and prosperity to all.

Regards,
C Latha Balaji

Sneham - Viharam 2026

A Memorable Friendship Get-Together at Yelagiri Hills

Every year, the KTCT Girls Alumni Association celebrates Sneham, our special friendship get-together, with a unique concept and in a different destination. Continuing this cherished tradition, this year's Friendship Day celebration, "Sneham – Viharam," was organised at the beautiful Yelagiri Hills on 22nd and 23rd August 2026, followed by our Annual General Body Meeting.

The much-awaited journey began at 6 a.m. from Mannady Metro Station in an 18-seater AC vehicle, with a few more friends joining us along the way. As a token of love and friendship, refreshment kits were presented to all participants. Adding a special touch to the celebrations, we exchanged beautiful friendship bands lovingly made by Srilakshmi Aunty. After a hearty breakfast, the journey continued with lively rounds of Antakshari, one-minute games and endless laughter, making every moment enjoyable.

We reached Yelagiri around noon and headed straight to the boating area, followed by visits to nearby sightseeing spots. The picturesque surroundings provided the perfect backdrop for lovely photographs and fun-filled reels.

Our next destination was BLB Gardens, where we celebrated the birthday of our Senior Advisory, Srilakshmi Aunty, with great joy and affection. After a delicious lunch, our Annual General Body Meeting commenced at 3 p.m., providing an opportunity to discuss the association's activities and future plans.

After the AGM, we took some time to relax before heading out to explore a few more tourist spots. The evening was filled with excitement and camaraderie as we gathered around the bonfire. Breaking all age barriers, everyone enthusiastically enjoyed the bonfire under the wonderful guidance of Leela, making it one of the most memorable moments of the trip. The fun continued with entertaining games organised by Mallika Prakash and Malathi Santhosh. Both of them generously sponsored prizes for the winners on behalf of the alumni association, adding to the festive spirit. A sumptuous dinner brought the eventful day to a delightful close.

The following morning, we visited some of Yelagiri's famous temples and explored Thanga Kottai, where the enjoyable train ride was a special attraction. After returning to the resort for lunch, we began our journey back to Chennai, carrying with us a treasure trove of beautiful memories. The return journey was equally lively, with games, Antakshari, music and laughter. After dinner along the way, we also visited Adhi Kamakshi Temple, Vellore, where we made a small contribution towards the temple's construction. We finally reached Chennai, dropping our friends at their respective destinations along the way.

Sneham – Viharam was truly a beautiful blend of friendship, devotion, fun, laughter and togetherness. More than the places we visited, it was the warmth of companionship and the precious moments shared with one another that made this trip truly special.

A heartfelt thank you to each and every friend who joined the Sneham celebrations and contributed to making the event such a grand success. Your enthusiasm, participation and wonderful spirit made every moment memorable.

I also extend my sincere thanks to all the committee members who coordinated with me, supported every arrangement and worked together to make Sneham – Viharam a smooth and successful celebration. It was truly a collective effort filled with friendship and teamwork.

May our bond of friendship grow stronger with every passing year, and may we continue to create many more beautiful memories and embark on many more wonderful journeys together.

With warm regards,

C Latha Balaji
